home™

The name Australia knows and trusts.

Home means different things to different people. A place to relax and unwind, away from the stresses of everyday life. A place to express your sense of style. It is always the place where the things you hold precious belong.

Safe and secure B&D® garage doors help protect the things you hold precious. Our commitment to quality flows through everything we do from custom made solutions to the convenience of automation and nationwide servicing. Whether you are coming or going from home, you can always rely on our superior build quality and commitment to safety to stand the test of time.

Home to the largest range of garage door solutions in Australia, B&D® has a proud history of innovation. We believe our latest collection of garage doors bring together cutting edge technology, beautiful design options and proven reliability that only 60 years of experience can deliver.

Roll-A-Door®

Roll-A-Door® Squareline in Surfmist

Roll-A-Door® – Australian for ‘Garage Door’ since 1956.

STRENGTH & DURABILITY

B&D’s unique ‘brake press’ technology stamps a rigid structural pattern into each Roll-A-Door®. The door curtain remains flat and looks good for the life of the product instead of developing unsightly sagging and bellying suffered by inferior doors.

SMOOTH, QUIET OPERATION

Specially designed by B&D, Nylofelt™ running strips fitted on both sides of the Roll-A-Door® delivers quiet operation day after day, year after year.

ENHANCED SECURITY FOR THE THINGS THAT ARE PRECIOUS TO YOU

Every Roll-A-Door® features a sturdy locking mechanism to help prevent unwanted intrusion.

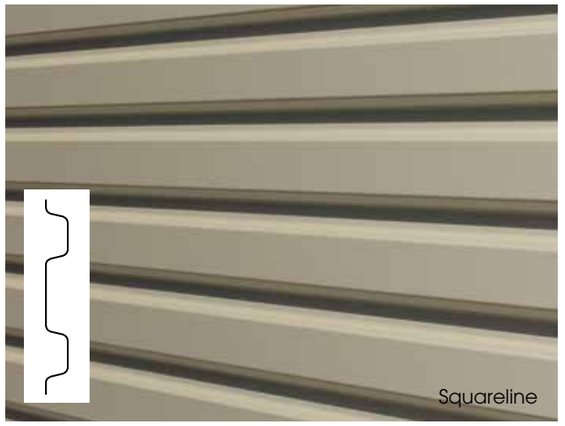
ABSOLUTE PEACE OF MIND

A trusted 7 Year Warranty* from Australia’s best known garage door brand.

7 YEAR WARRANTY

* Full Warranty details available at www.bnd.com.au

Design & Colour Options.



SQUARELINE

Our most popular Roll-A-Door® profile features a square profile to suit a range of home styles. Squareline also features a mini groove top sheet that ensures smooth operation and protects the door’s paint finish (available on selected sizes).

Speak to a B&D Representative for size availability.

TRADITIONAL

The Traditional profile features a deeper, rounded and more rigid curtain shape. Choose the Traditional profile for high usage applications or where an extra strong door is required.

Colorbond®

Whether your home is classic or contemporary, city or country, COLORBOND® steel gives you the ability to create the right colour scheme for your home.

Surfmist®	Sandbank®*	Paperbark®	Stone®*	Dune®	Shale Grey™	Evening Haze®
Classic Cream™	Cove®	Pale Eucalypt®	Wilderness®*	Mangrove®	Cottage Green®	Woodland Grey®
Gully®	Wallaby®	Jasper®	Terrain®	Headland®*	Manor Red®	Loft®*
Ironstone®	Deep Ocean®	Windspray®	Basalt®	Monument®	Night Sky®	Zincalume®

The COLORBOND® steel colours shown here have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing as varying light conditions and limitations of the printing process may affect colour tones. COLORBOND® and ® colour names are registered trade marks of BlueScope Steel Limited. For greater colour accuracy, B&D recommends using colour samples which are available on request. *A surcharge applies to these colours.

Automation.

It is important to partner your B&D® door with a genuine B&D® automatic opener. Designed to exacting standards in Australia and made to work in unison with your door year after year.

Includes:
2 x Tri-Tran+™ Premium Remote Controls and Wall Mount Remote Control

B&D Controll-A-Door Power Drive® opener

Controll-A-Door®

7 YEAR WARRANTY

TRI TRAN+ ENHANCED SECURITY

Australians have trusted B&D's garage door automation products for decades. Our latest Controll-A-Door® range builds on our rich heritage by combining smooth and reliable operation with a range of features that help protect your family and belongings.

Refer to B&D® Automation brochure for detailed specifications.

B&D® Smart Hub

Smart Phone. Control Kit

Have you ever left the house in the morning and thought, **"Did I remember to close the garage door?"**.

An open garage is an open invitation for unwanted entry so it pays to know that you can control your door while you are away from home with B&D®. The kit allows you to monitor and control your garage door while you are at work or even on holidays from your compatible smart phone*.

Best of all, the kit is available for both Rolling and Panel style garage doors.

HIGH WIND ROLL-A-DOOR®

Our High Wind Roll-A-Door® provides added strength, security and protection via unique clips and matching high wind guides fitted to the edge of the door. When exposed to high wind situations, these clips ensure the door is held captive in the door track. A popular choice for security conscious homeowners and those living in high wind regions. Our High Wind Roll-A-Doors comply with the High Wind requirements stated in the National Construction Code and are suitable for homes, sheds, commercial and industrial applications.

Emb-A-Seal™

These seals fill the gaps around the door, greatly impeding the progress of burning embers into the garage. These seals also act as an effective barrier against dust, sand or leaves entering the garage, creating a cleaner environment. This is particularly important when the garage is used as a living area.

WIRELESS SAFETY BEAMS

If you have young children or pets, safety beams provide added safety and security. If the beam is broken while the door is closing it will automatically stop and reverse. B&D® always recommend the use of safety infra-red beams on all automatic garage doors.

Sectional garage door pictured.

If it's valuable to you, don't just protect it b&d it.
